

OPERATIONS

San Diego Bicycle Club, Inc.

Created February 11, 2019

From time to time the Board of Directors of the San Diego Bicycle Club may create rules and procedures to ensure fairness and the smooth operation of the Club. Such rules and procedures shall be attached to, but are NOT part of, the Club's Bylaws. Rules and procedures may be changed by Directors in a manner prescribed in the Bylaws

The items below were approved on or after February 11, 2019. Actions taken before that date are still in force and are binding on the club and its members.

Racers Required to be dues-paying SDBC members, and prohibiting financial support to racers during periods of lapsed SDBC membership

Approved February 11, 2019

A racer must be a dues-paying member of the San Diego Bicycle Club to receive financial support from the Club, unless they are a member of an exempted class such as members of the Board of Directors, Ride Leaders, Full-time college students, or other groups approved by the Board of Directors. Financial support shall only begin on the date membership is paid as determined by the Membership Director. In no case shall SDBC funds be used to pay for racer memberships, whether directly, through race reimbursements, or any other means which circumvent this restriction. Further, no matter his or her racing level, a racer whose SDBC membership lapses, shall receive no financial support from the Club in any form during the lapsed period. Such suspended financial support might include, but is not limited to, race reimbursements, pre-paid race registration fees, and lodging & travel expenses.

Upon renewal of lapsed membership, financial support shall be reinstated to that racer, except no financial support shall be given for the lapsed period. The Executive Committee, Treasurer, Membership Director, and/or Teams Directors shall take whatever actions necessary to enforce this policy including, but not limited to, suspension of team credit card privileges.

SafeSport Training Program

Approved June 10, 2019

Motion: To support and comply with the federally-mandated SafeSport training program being conducted nationally through sports associations including USA Cycling. That all board members, ride leaders, coaches, adults affiliated with the SDBC Juniors' Race team, and others whom may be required, complete the SafeSport program by September 2, 2019 (Labor Day). That SDBC appoint a coordinator to oversee the online certification training program offered through USAC, and the annual online renewal training and recertification. That the Secretary or Board-approved designee keep documentation of successful completion of said training.

Motion: To appoint Vice President Renee Robinson SDBC SafeSport Coordinator, and that she and the Executive Committee shall set rules as necessary to ensure Club compliance.
